**MEDICARE ASSIGNMENT (Section 20A of the Health Insurance Act 1973)** I offer to assign my right to benefits to the approved radiology practitioner ("APP") who will render the required radiology services and any eligible radiologist determinable service(s) established as necessary by the practitioner. In the event that I am issued with an account for those services, I also authorize that APP to submit my unpaid account to Medicare so that Medicare can assess my claim and issue me a cheque payable to the APP for the Medicare Benefit.
